

INTEGRATED POLICY STATEMENT (Environmental and Occupational Health & Safety)

This policy describes the commitment of the Coen Steel Senior Management team in focussing on our clients; their needs and expectations; as a means of driving the business towards continuous improvement in our performance, products, and services.

Our principal aim is to;

Consistently provide products and services that achieve complete customer satisfaction.

To achieve the above our emphasis is on the following key objectives: -

- Work closely with our customers to understand and satisfy their requirements for quality, delivery, and value for money every time.
- Maintaining our management systems and certifications to ISO14001:2015 and ISO45001:2018 and continually improving on its effectiveness.
- Maintaining communications with all parties externally and internally, including the consultation and participation of workers, to minimise misunderstanding and to reduce the likelihood of operational impact and promote continual improvement.
- We are committed to the protection of the environment and the prevention of pollution through appropriate operational controls and by reducing waste and increase recycling.
- Ensuring a commitment to eliminate hazards and reduce OH&S risks.
- Provide sufficient fully trained staff to fulfil our customer's requirements .
- Providing resources necessary to safeguard the health, safety and welfare of our employees and all persons affected by our operations.
- Providing information, instruction, training, and supervision to all employees to ensure that they are fully aware of their responsibilities and duties.
- Maintaining our management systems and certifications to ISO45001:2018, ISO14001:2015 and continually improving on its effectiveness through the setting of appropriate objectives.
- Ensuring a commitment to prevention of injury, ill health and continual improvement in OH&S management and performance.
- Complying with health, safety and environmental legislation, regulations and other applicable requirements and company standards.

To deliver these objectives Coen Steel are committed to working as a team to optimise performance and ensure we meet our customer needs and expectations.
